

Donation of 1 unit Toyota Avanza to Shah Alam police

SECOM launched the community policing project as part of the Social Responsibility Program (SRP). This was officiated by Selangor CPO Datuk Khalid bin Abu Bakar at Kelab Golf Sultan Aziz Shah on 15 December 2007.

Under the community policing SECOM purchased 2 units Proton Waja to carry our joint patrolling with the police in Shah Alam area starting 7th January 2008. SECOM also donated 1 unit Toyota Avanza to the Shah Alam police and this will be used as a mobile patrol unit. Due to the strong co-operation with the police we are more effective in reducing crime to both Secom customers and the public at large. We have received favorable feedbacks from the police and the public and intend to extend this service to other areas in the near future.
