

## Police News

The police have announced the setting up of 162 police stations using shop lots as community beat base. Another 3,000 police response cars will be added and the police are also re-hiring retired police personnel to beef up the force. The government target to hire additional 60,000 police personnel over the next 5 years. The current police force number 90,000.

## SECOM community police patrolling

### – news update

The 2 units of SECOM patrol cars are patrolling the major industrial areas of Shah Alam. In each response car is our senior security officer and 1 police personnel. We will be expanding this fleet at a later stage due to favorable response from our customers, the public and the police.

## Securities Commission

SECOM successfully secured the tender for the supply and upgrade of 9 units DVR and CCTV system to the Securities Commission.

## Chinese New Year crime incidents

SECOM response and patrol team helped to ensure a crime free Chinese New Year for our customers. There were 3 attempted break-ins at our customers' sites but we managed to prevent the customers from suffering any losses.

## Safe City Concept

The Ministry of Housing and Local Government has announced the allocation of RM70mil to 25 major city or town councils to install CCTV to enhance security in public areas. SECOM is also bidding for this job.

**Network Camera**  
Full overview and instant zoom –  
without moving parts

### Full overview and instant zoom – without moving parts

AXIS 212 PTZ-V Network Camera provides overview images of the entire monitored area, as well as instant one-click pan/tilt/zoom control for a close-up view, offering excellent and precise indoor surveillance. With no moving parts exposed to regular wear and tear, this camera is ideal for automatic patrolling and also provides effective protection against tampering as no parts can be forcibly moved. With a vandal resistant casing, AXIS 212 PTZ-V is a perfect solution for customers with demanding environments, such as schools, prisons, and shopping malls.

### Key Features:

- Pan, tilt and zoom without moving parts for increased reliability
- Custom made vandal resistant casing that does not increase the size of the camera
- Tamper-resistant design, effectively protecting against tampering
- Very compact design
- One-click instant zoom
